

St Roch's Childcare Services, Royston

### **Lead Practitioner Attainment (Early Years)**

**An exciting opportunity in Early Years for a passionate and committed individual. somebody who wants to make a real difference for our children at St Roch's**

St Roch's Childcare Services offers high quality affordable extended childcare for children from 6 weeks – 12 years

We are looking to employ a highly qualified and motivated person with extensive knowledge in early childhood learning and growth.

The successful applicant will work with a team of Early Years practitioners in a coaching capacity, to improve attainment and achievement for all, whilst contributing to the attainment gap in line with Glasgow City Council's Improvement Challenge.

### **Main Duties**

You will be part of our management team providing and supporting staff in the delivery of quality early learning and development based on the Curriculum for Excellence

You will work with others to strengthen awareness and understanding of children's well-being, promote best practice, family learning and enhance creativity.

The post-holder will have relevant experience of practice within an early learning and childcare environment coupled with proficiency in the improvement, implementation and evaluation of plans and curricula programmes for our service users. You will also have leadership capabilities and are able to produce well written analytical reports.

You will have a HNC in Childhood Practice at Level 7 or SVQ Level 3 Social Services Children and Young People at SCQF Level 7, or an equivalent qualification that meets SSSC requirements for registration at practitioner level, and hold a BA in Childhood Practice, or be in your final year.

Initially a one-year contract funded by Glasgow City Council.
